Dear [REDACTED]

Earlier this year, we had some communication concerning an individual named [REDACTED]. We understand that the case against [REDACTED] was pending at that time. Has this situation now been settled and has there been a trial?

We would like to have the outcome of any action against [REDACTED] concerning the child molestation case. If he has been sentenced, a copy of the court record or newspaper clippings would be most beneficial in making certain that we can refuse registration wherever this individual may move.

Dear Paul:

[REDACTED] has given me your letter of December 24, 1980,  
concerning [REDACTED].

I have checked our "open" file on these matters and find no one

the man to whom you are referring?

If it is, please be advised that the [REDACTED] Metropolitan

Please let me hear from you. Best regards.

Re: [REDACTED]

Dear [REDACTED]

About a year ago, there was some correspondence with your council related to the above named individual. At that time he was registered with Troop [REDACTED] and it was indicated that he had been accused of some sexual molestation. We would like to know if his case has come to court and what the outcome has been? The amount of sentence, if convicted, would be helpful and strengthen our file. Any other facts you can give us would be appreciated.

## Sodomy Charged In Assaults Against Two In Scout Troop

A 42-year-old north St. Louis Boy Scout leader was charged Monday with sodomy in connection with sexual assaults on two boys in his troop, police said.

Thomas [redacted] arrested about 7:45 p.m. [redacted] mine, after the boys' school principal heard reports of the incidents and called police.

Authorities said the troop was formed about three weeks ago and police were uncertain as to whether it had been certified officially.

The alleged assaults were said to have occurred on two separate occasions when members of the troop stayed

overnight at the suspect's home. One assault was reported to have been made on a 13-year-old boy on April 20, when about five youths spent the night after getting home late from an outing to a drive-in theater.

The second alleged incident occurred Wednesday night and involved a 15-year-old boy who with two other boys was staying overnight.

[redacted] principal of [redacted] where the boys attend school, heard reports of the alleged assaults from other students and teachers and Monday called police.

[redacted] charged in warrants with two counts of sodomy.
